Please pray for the...

**Fulani, Nigerian of Nigeria**

Population:	13,463,000
Language:	Fulfulde, Nigerian
Religion:	Islam
Evangelical:	0.26%
Status:	Unreached

Scattered mostly in Nigeria and Cameroon, these semi-nomadic people fiercely reject anything they perceive as contrary to their lifestyle of roaming with their cattle herds. This includes education, (they are mostly illiterate), and permanent homes. They are widely regarded as troublesome impediments to the large cattle ranchers. One businessman and member of a ruling party has established two large cattle ranches, forcing the Mbororo tribal people from their historic grazing land. They were given no compensation. Their illiteracy and intense independence have placed them on unequal footing with greedy people like these who take advantage of them. Illiteracy is an obstacle to learning about Christ if the Gospel comes to them only in printed form.
