Unengaged, Unreached of the Day – Source: www.joshuaproject.net

Please pray for the...

Uzbek, Southern of Afghanistan

Population:	3,116,000
Language:	Uzbek, Southern
Religion:	Islam
Evangelical:	0.01%
Status:	Unreached

The group designated as Southern or Afghan Uzbek formed from waves of ancient migrations, as well as more recent ones in the 1920s-1940s from Russia when that government's atheistic policies persecuted their Islamic religion and customs. Speaking Uzbeki, their own Turkish dialect, Uzbeks identify themselves as Hanafi Sunni Muslims, although this is largely a cultural identity now rather than a religious one. As Afghanistan's fourth largest ethnic group (2.5 million) and nearly one-tenth of her total population, Southern Uzbeks still reside primarily in mountainous northern regions, particularly the Fariab Province. They live simply in small villages, often with Tajik neighbors but are averse to the Pushtan who moved into their homelands in numbers sufficient to render them a minority by the 1960s in territory they once controlled.
